

LIFETIME RECRUITING ACHIEVEMENT

The CAF wants to reward your recruiting achievements. The Lifetime Recruiting Award Program recognizes CAF Colonels that have recruited 10 or more CAF Colonels. Those who recruit 10 or more will receive a Recruiting Patch. Rockers are provided at other significant levels of recruiting. These patches can be worn on flight jackets, uniform shirts, or flight suits in place of the Member's Shield Patch. Patches and rockers are presented each year at the CAF Conference.

YOUR MISSION:

To recruit new CAF Colonels in the CAF.

MISSION BRIEFING:

The long-term health of your organization is dependent on finding and recruiting new members to help further the CAF's mission.

Each year, we encourage all CAF members to recruit as many new Colonels as possible. Each new member helps the organization and can help you reach several different awards that recognize your efforts.

Current CAF Colonels, Preservation Colonels, and Life Members are eligible for this program. Credit is awarded to every new Colonel, Preservation Colonel, or Life Member who joins at the regular dues level. Make sure your recruits list you as a recruiter on the membership enrollment form.

Active military, Bravo, and Cadet Memberships do not apply. Must be 18 years or older to participate. Reinstated Colonels only count if their membership has been inactive for the past 12 months. The recruiting period is Jan. 1-Dec. 31.

In addition to these awards, the Vic Agather Memorial Recruiting Trophy is presented annually to the individual who has recruited the newest members during the recruiting period.

MISSION BRAVO:

All CAF Units receive 5 Bravo credits that allow new members to join the CAF as a Colonel for \$125. These credits are great for recruiting new members with specific skill sets. If the Unit needs a mechanic or an accountant, use the Bravo credit as an enticement and an opportunity for the new member to try out the CAF at a one-year discount.

The Bravo discount is only available for the first year of membership, renewals will be at the \$225 rate. Only individuals who have not been a CAF member in the past year are eligible. Unit Staff must submit written approval with the new member application to Headquarters. Monthly bank draft or auto debit payment plans are not available on discounted memberships.
