The COMMEMORATIVE AIR FORCE is a non-profit, tax-exempt organization incorporated under the laws of the state of Texas for charitable and educational purposes. It is a self-supporting, all-volunteer member organization. Members do not need to be a pilot or military veteran. Colonels must be 18 years of age or older. CAF Cadets can be ages 13-17. Memberships are non-refundable and non-transferable.

I certify that the statements I made on this application are true, to the best of my knowledge and belief, and are made in good faith. I will fully support the aims and objectives of the COMMEMORATIVE AIR FORCE and will assist the General Staff in attaining these goals.

COMMEMORATIVE AIR FORCE

OUR MISSION

The Commemorative Air Force (CAF) is dedicated to the acquisition, restoration, and preservation in flying condition of World War II aircraft flown by all U.S. military services (and some by other countries) to honor American military aviation through flight, exhibition, education, and remembrance. Since its formation in 1957, the CAF has strived to keep this history alive by flying the iconic aircraft that demonstrate what we accomplished as a nation and pay tribute to the Greatest Generation. In addition to flying the aircraft, the CAF is committed to allowing the public to get close to the aircraft, giving tours and hands-on presentations to the public. Looking ahead, the CAF is committed to using the stories of World War II to inspire the next generation.

OUR MEMBERS

CAF members bring our mission and aircraft to life. They are what makes the CAF the most impactful warbird organization in America. Our members volunteer their time and talents to maintain the aircraft, exhibit the aircraft across the country, and share their passion for history with audiences of all ages. The CAF is an international organization with more than 11,000 members and 60 locations. Find out how you can be involved.

OUR AIRCRAFT

The CAF has the world's largest fleet of historic aircraft- more than 175 warbirds of at least 60 types ranging from liaison aircraft and fighters to the mammoth B-29 Superfortress. The CAF has saved several aircraft from extinction, including the only flying Helldiver and the aircraft that led the main aerial invasion on D-Day. CAF aircraft are assigned to locations across the country and tour different cities each year.

WHY JOIN THE CAF?

Because you want to support and FLY the world's largest collection of WWII aircraft.

Because you want to HONOR the spirit of the Greatest Generation and their effort to defend our freedom in support of our nation.

Because you want to help us tell the stories of the men and women who built, serviced, and flew these aircraft in order to inspire the next generation.

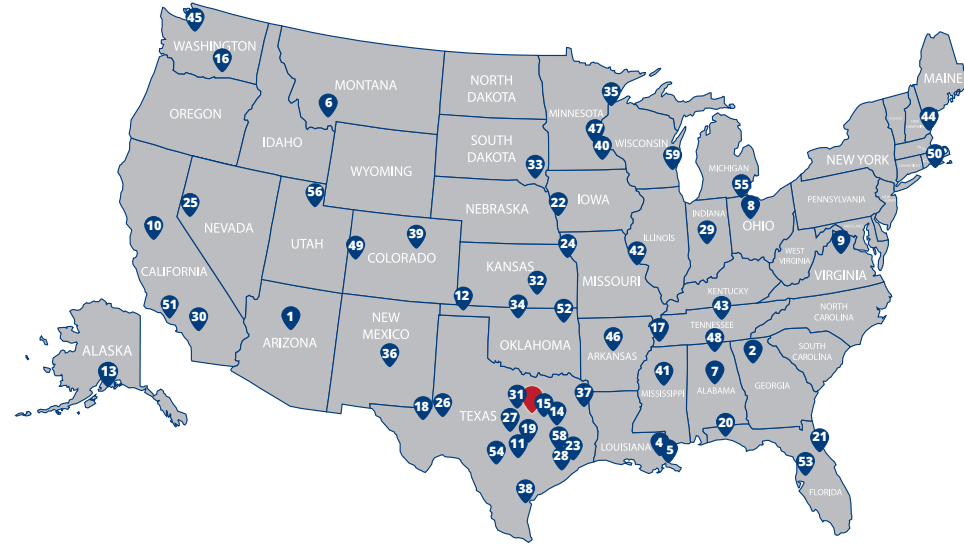

GET YOUR HANDS
ON history TODAY!

UNIT LOCATIONS MAP

Colonel members of the CAF are eligible to join units. Units are local groups of members which operate assigned aircraft, and hold and attend events. For more info about units and aircraft visit CommemorativeAirForce.org or contact the unit directly.
